

LEAN SURVIVAL GUIDE

Create and sustain a continuous improvement culture

It's a jungle out there!

Who are we?

Lori Erickson

Jennifer Haury

All Angles Consulting LLC

FOCUS!

- **Stops and Starts**
- **Shiny Objects**

MINGLE

Mingle!

Please stand and find someone you haven't met before today, introduce yourself and where you work, and share with them one of the following:

A creative way you have found to reduce "SHINY OBJECT SYNDROME"

How you've overcome stops and starts

Talk through some of the current problems you are facing related to FOCUS for improvement. What advice would you give to each other?

Not Everyone Is On the Bus

- **Leaders**
- **Teammates**
- **What IS the bus???**

MINGLE

Mingle!

Please stand and find someone you haven't met before today, introduce yourself and where you work, and share with them one of the following:

A creative way you have found to help influence others

How you get more people “on the bus”

A time when you were able to make a breakthrough with a team

Data Gaps

- **Measurement**
- **Waiting on Data**

MINGLE

Mingle!

Please stand and find someone you haven't met before today, introduce yourself and where you work, and share with them one of the following:

How you've moved forward despite a "data gap"

Creative measurement techniques

Tactics to combat ANALYSIS PARALYSIS

Team Dynamics

- **Getting to agreement**
- **Introverts v Extroverts**
- **Going to see**

MINGLE

Mingle!

Please stand and find someone you haven't met before today, introduce yourself and where you work, and share with them one of the following:

Creative strategies for getting to agreement

Strategies for solving the “go see” conundrum

Talk through some of the current problems you are facing related to Team Dynamics. What advice would you give to each other?

We'd love to hear from you!
